University board 4 has a provisional rating so this is (hopefully) not a violation of the 100 points rule.

Thanks to Chandlers Ford for making the journey - some really interesting chess on display on multiple boards.

A pleasure to visit Basingstoke CC and very impressed with the playing area. It was a tough match between the relegation candidates with Ringwood just snatching it at the end and surviving to fight another day! First to finish was board two where John eventually ground Jamie down. This was followed (I think) by board 1 where Steven Jones prevailed in a same colour bishop ending leaving the match. Basingstoke then took the lead on board 5 where Megan moved so fast she had more than 80 minutes left at the end when Graham's time had run out! I was ahead in my game from early doors, but my opponent was playing better than I was and eventually got to what looked like a

holdable position when he blundered a final pawn. That proved enough to make the match level, leaving Ralph and Hugo to play out the deciding ending. Hugo was a pawn up but Ralph's pieces were active and looked dangerous! Eventually Hugo prevailed and we won the match, but both deserve credit for great play in front of a baying crowd :-)

The two players who are having a great season for their teams (Alikhan and Matthew) continued this, both winning their games. As has been the norm all season Alikhan was the last to finish, and his success saw the home team win this close match between two evenly matched teams.

Many thanks to Winchester for the warm welcome on what turned it to be a wet and windy night. Several of the games turned around from what looked to be the expected result to finish with a different one. In the end the drawn match was a fair result. The last game to finish the players agreed a draw as both had under 2 minutes in a game with no increment, as per 90% of the CF matches he plays in Alikhan was the last to finish.
